

State Flag

Pennsylvania's State Flag is composed of a blue field, on which is embroidered the State Coat of Arms. The flag is flown from all state buildings, and further display on any public building within the Commonwealth is provided for by law. The first State Flag bearing the State Coat of Arms was authorized by the General Assembly in 1799. During the Civil War, many Pennsylvania regiments carried flags modeled after the U.S. Flag, but substituted Pennsylvania's Coat of Arms for the field of stars. An act of the General Assembly of June 13, 1907, standardized the flag and required that the blue field match the blue of Old Glory.
